To whom it may concern,

On behalf of Neil Barnett Inspection Services, it is with great pleasure that I convey our sincere appreciation for the service which all of the UAB GriJana personnel have provided at Klaipeda facility in support of the Noble Energy Leviathan umbilical reels manufacture.

It is the expertise and professionalism which you have all demonstrated that contributes greatly to Noble Energy and the overall success of the Leviathan Project.

Best Regards

Neil A Barnett

A handwritten signature in blue ink that reads "N. A. Barnett". The signature is written in a cursive, flowing style.
