Sichuan Road and Bridge Group Corporation Ltd.

To Whom It May Concern,

SRBG can confirm that Sergej with his company GriJana are really professionals.

Their fast reactions, flexibility and efficient way of working helped our company (Sichuan Road and Bridge Group Corporation Ltd.) to solve issues with skilled NDT personnel for Hålogaland Bridge.

In this project GriJana company was used as agency to find correct subcontractor for NDT works. GriJana helped us find and sign contract with NDT company in a very short term. We start working with new subcontractor within couple weeks from 1<sup>st</sup> phone conversation with Sergej. Cooperation with suggested subcontractor was successful and we find cooperation with GriJana as win-win solution.

We (SRBG) are really recommend and will use GriJana company for next project if needed.

Sincerely,
