

Reference to Sergej Grisanov/UAB GriJana

BUREAU VERITAS was using Sergej Grisanov/GriJana UAB inspection services for work in project **Shell Penguins Redevelopment Project**, for client **SHELL**

Inspections works were done at steel producer's site in Lithuania in period May 2019 – November 2019 (Penguins)

Tasks of Inspections:

- Production process control.
- Control of welding quality
- Check of WPSs and Welders certificates
- Control of Painting quality (surface preparation, painting process control, check of final result)
- Weekly reporting with quality, progress and HSE status.
- Final inspection of project.
- Load out
- As-Built documentation review

The level of support his company provided on project we worked on together was outstanding.

We would utilize Sergej Grisanov and GriJana UAB team on any project given the opportunity but would definitely recommend him to any body.
