Reference: Reference to UAB GriJana

Killick Group LTD confirms that GriJana UAB has provide inspection services by inspector Sergej Grisanov for work in project **TUXPAN INTERNATIONAL FUELS TERMINAL** for client **McDermott**.

Inspections works were done at steel producer's site in Latvia in period from May 2019 till September 2019.

Tasks of Inspections:

- HSE monitoring
- Project follow up
- Quality control (check dimensions, bevels preparation and etc)
- Progress control
- Witness of Load out

All tasks were completed in good manner. No issued with notification time and client orientated way of thinking was win-win decision to use GriJana UAB for Inspection services.

We recommend and will use GriJana company and Sergej Grisanov for next project if needed.
