To whom it may concern,

Mr. Aleksej Jeriomin was employed by Samsung Heavy Industries, Co. LTD. as a site supervisor for Turret Mooring System, Reliance KGD6 RUBY project from Apr 2020 – Oct 2020. He was responsible for quality management including welding/painting inspection, performance verifications and expediting of the overall progress. His performance on given tasks was always satisfactory to our expectation.

He will devote himself to a position with your organization with high degree of diligence. Tus I can highly recommend Mr. Aleksej Jeriomin for the opportunity that you have available.

Sincerely,
